## MAUI LIGHTED BY FINE SYSTEM

Electric Current Turned on for First Time Saturday Night

[Special Correspondence, Star-Bulletin.]

WAILUKU, July 2.—The electric current was turned on for the first time for a few hours on Saturday night. The streets of Wailuku and Kahului were like day, and the townspeople in both places were delighted with the splendid new lighting system now installed. The cluster method has been used in preference to the arc and the effect is much more pleasing than the single arc lights. At frequent intervals the single lamps are used throughout the street system.

On Sunday night the lights were turned on for a longer period and were found to be perfectly satisfactory. A few adjustments had to be made here and there in the line, so that all would be in perfect condition for the lighting of the whole line on Monday evening.

The illumination of the streets and the houses on Monday was a great success. No admittance was allowed at the power plant because the danger might be to those who were strangers to the machinery. The celebration was entirely confined to the Alexander House Gymnasium which was brilliantly lighted for the occasion by the Island Electric Company. A string of colored lights was on the outside of the building, while inside the many lights hung specially made the hall as bright as day. There was a large attendance of people from all parts of Maui who came to help in the celebration of turning on the current for the first time. The floor of the Gymnasium was in excellent condition, and dancing was enjoyed to a late hour. Capt. O. J. Whitehead was floor manager and Kala's musicians furnished the music, that was greatly enjoyed. The patronesses of the delightful affair were Mesdames C. D. Lufkin, Frank F. Baldwin, Wm. Searby, J. B. Thompson, W. A. McKay, A. Noa Kopolka, J. N. S. Williams, Wm. E. Bal, C. C. Clark, W. H. Field, F. P. Rosecrans, Wm. Walsh, W. S. Chillingworth, Edmund H. Hart, Geo. Trimble, Scott Wright, H. B. Penhallow, O. J. Whitehead, Captain O. J. Whitehead floor manager. The Gymnasium Committee in charge.
